

CORPORATE PROFILE

INTRODUCTION :

Our Company is continuously striving to be one of the leading multifaceted business conglomerates in INDIA, Singapore, Dubai (Gulf Countries) with ambitious growth plans and a powerful vision. We are engaged in a wide range of activities that touch the most basic and far advanced aspects of everyday life.

OUR ACTIVITIES INCLUDE

- ▶ Offshore & Marine Services
- ▶ Oil & Gas Services
- ▶ Industrial & Commercial Services
- ▶ Specialised in Electrical Services, HVAC, Piping, Hydraulic Tubing
- ▶ Manpower Supply

Dmoce is a multidisciplinary engineering and contracting company delivering specialized services across offshore, marine, oil & gas, industrial, and commercial sectors. We combine technical expertise, skilled manpower, and modern technology to deliver safe, efficient, and cost-effective solutions tailored to client needs.

OUR SERVICES

ELECTRICAL WORKS

- ▶ Power distribution & control systems
- ▶ Cable laying, glanding & termination
- ▶ Panel board installation & wiring
- ▶ Industrial & commercial electrification
- ▶ Testing, commissioning & maintenance

HVAC SYSTEMS

- ▶ HVAC design & installation
- ▶ Duct fabrication & erection
- ▶ Chillers AHU & FCU systems
- ▶ Ventilation & exhaust systems
- ▶ Maintenance & energy optimization

PIPING WORKS

- ▶ Process & utility piping
- ▶ Fabrication & installation
- ▶ High/low-pressure systems
- ▶ Welding (TIG / MIG / ARC)
- ▶ Hydro testing & commissioning

HYDRAULIC SYSTEMS

- ▶ Hydraulic system installation
- ▶ Pump, valve & cylinder servicing
- ▶ Troubleshooting & repair
- ▶ Pressure testing System upgrades

OFFSHORE & MARINE SERVICES

- ▶ Offshore platform maintenance
- ▶ Ship repair & retrofitting
- ▶ Marine electrical & mechanical works
- ▶ Structural fabrication
- ▶ Inspection & commissioning

INDUSTRIAL & COMMERCIAL WORKS

- ▶ Turnkey engineering solutions
- ▶ Plant installation & upgrades
- ▶ Facility management
- ▶ Infrastructure development
- ▶ Maintenance services

WHY CHOOSE US

- ✓ Skilled & certified workforce
- ✓ Strong safety culture
- ✓ On-time project delivery
- ✓ Cost-effective execution
- ✓ Modern tools & technology

QUALITY, HEALTH & SAFETY

- ✓ We strictly follow international standards and best practices to ensure:
- ✓ Zero accident workplace
- ✓ High-quality execution
- ✓ Environmental responsibility
- ✓ Continuous improvement

INDUSTRIES WE SERVE

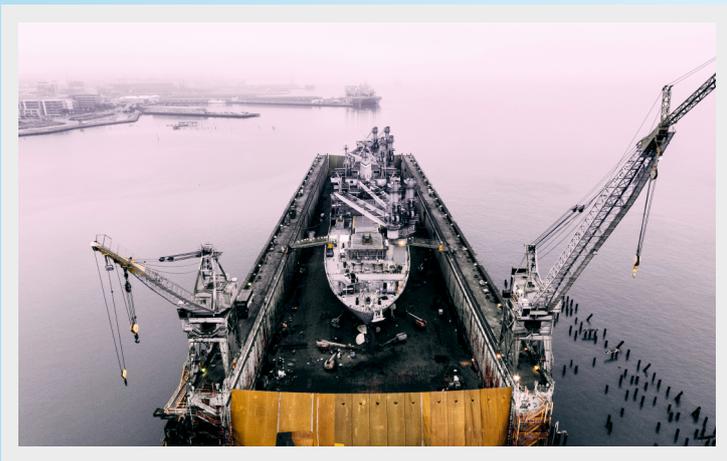

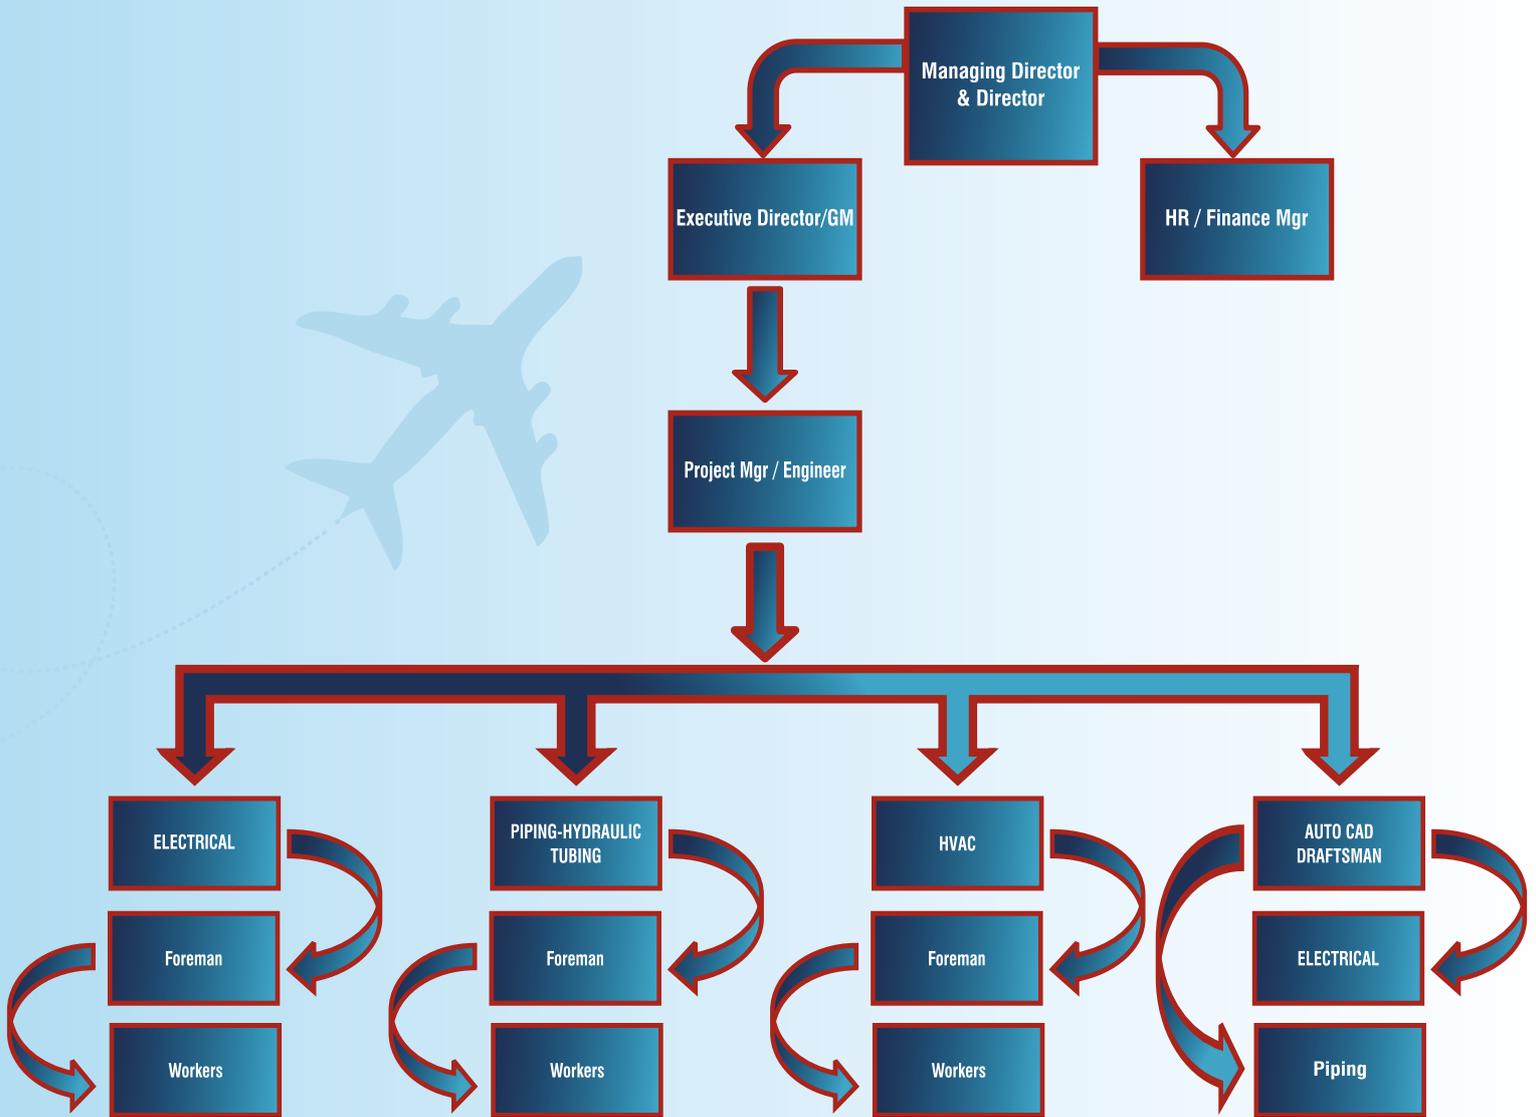

- ✓ Oil & Gas
- ✓ Offshore & Marine
- ✓ Power & Energy
- ✓ Manufacturing
- ✓ Commercial Infrastructure

COMPANY STRUCTURE & MANAGEMENT

DMOCE INTERNATIONAL PVT LTD Aim is to provide a full control system solutions to clients with unparalleled service and support. It is owned and managed by two directors and each of whom is a fully qualified and all technical responsibility lies with them.

ORGANIZATION CHART

ENGINEERING & DESIGN OFFICE – KAKINADA

Our fully equipped engineering office in Kakinada serves as a central hub for design, drafting, and project coordination, enabling us to deliver precise and efficient engineering solutions.

DESIGN & DRAFTING CAPABILITIES

- 2D drafting using AutoCAD for electrical and piping systems
- Isometric drawings for fabrication and installation
- Detailed engineering drawings with accurate specifications
- As-built drawings and documentation
- Layout planning and design optimization

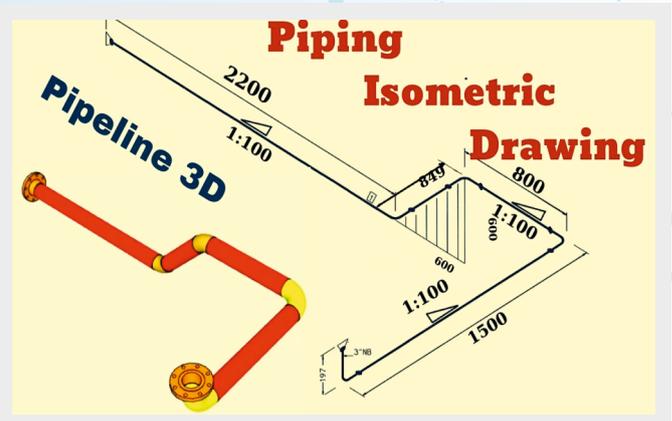

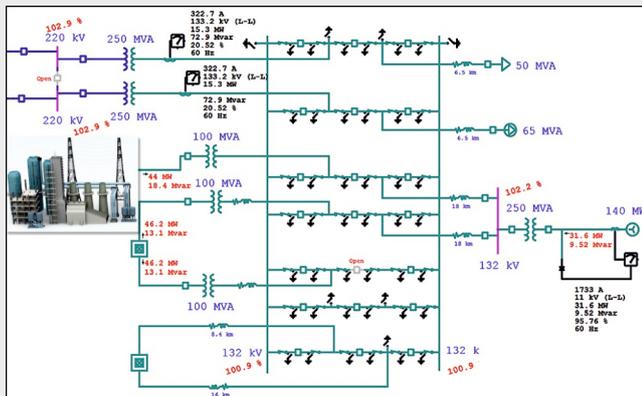

ENGINEERING EXPERTISE

PIPING ENGINEERING

- P&ID (Piping & Instrumentation Diagram) development
- Isometric & spool drawings
- Pipe routing and layout design
- Material take-off (MTO) and BOM preparation

ELECTRICAL ENGINEERING

- Single line diagrams (SLD)
- Cable routing & tray layout
- Panel design and load calculations
- Lighting layout & power distribution design

TO ACHIEVE THIS WE ALWAYS

“OUR MISSION IS TO GUARANTEE ABSOLUTE SATISFACTION TO EVERY CUSTOMER”

- ▶ Stay Focus on Customer Need
- ▶ Beat Our Customer’s Schedule
- ▶ Exceed Our Customer’s Quality Standard
- ▶ Provide Our Customer’s Good Value
- ▶ Keep Our Customer’s Absolutely Satisfied

THE BUSINESS

- ▶ The company was incorporated in 2023.
- ▶ Our main core business are in turnkey projects, labor supply & assisting ship owners in purchasing of marine materials worldwide.
- ▶ The business activity is in the ship repair industry for new building, dry dock repair & riding crew.
- ▶ Our crew consists of Electricians, Scaf folders, Pipe Fitters, 4G /6G Welders, Riggers and Accommodation Works Installers.
- ▶ **DMOCE INTERNATIONAL PVT LTD** primary motive is to anticipate, understand and satisfy the needs of its customers through network of a wide range of services in the shipyard industry.
- ▶ By Understanding the needs and competition in the market **DMOCE INTERNATIONAL PVT LTD** has been able to maintain good relationship and built up confidence with the customers.
- ▶ **DMOCE INTERNATIONAL PVT LTD** crew has deep knowledge and expertise in their individual scope of work which includes Fiber Optic & Copper works. Our crew gained experience through its dedicated long associations with vessel’s Superintendent and Engineers in the Shipbuilding& Repair Industry.
- ▶ At **DMOCE INTERNATIONAL PVT LTD**, we assure safe and timely performance of work. It is another facet of **DMOCE INTERNATIONAL PVT LTD**.

WORKERS STRENGTHS:

- ▶ Self-Development and Problem Solving Skills.
- ▶ High level of confidence and determination.
- ▶ Adopt ability to different environments and quick learning capabilities.
- ▶ Team work, Flexible, Punctual and Interest to Learn New Things.
- ▶ Knowledge of the principles and processes for providing personalized services including needs assessment techniques, quality service standards, alternative delivery systems, and guest satisfaction evaluation techniques.
- ▶ Strong communication, problem solving, decision making, interpersonal and overall management skills in a multicultural and dynamic environment.
- ▶ Superior customer service, team building and conflict resolution skills.
- ▶ Ability to speak English clearly, distinctly and cordially with guests.
- ▶ Ability to speak additional languages preferred.
- ▶ Working knowledge of computers, internet.

CLIENTS

Our Vision & Mission Vision:

To become a trusted leader across India & Overseas

Mission:

To deliver high-quality, safe, and cost-effective solutions to every client.

Our Clients

We work with leading companies in the offshore industry, including operators, engineering firms, and service providers involved in oil & gas and renewable energy platforms. Our clients rely on us for dependable, high-quality solutions that support offshore operations, maintenance, and safety. We understand the challenges of harsh marine environments and are committed to delivering efficient, compliant, and cost-effective services that ensure operational excellence and long-term reliability.
